GENERAL SECRETARY.
9 NOV. 1936

SIR,

Disposal of inam land - Sri Kikkeri Anjaneyaswami Temple - Tumkur Town.

In forwarding herewith a copy of letter No.M.42/36-37 dated 2-10-36 received from the Deputy Commissioner, Tumkur District, on the above subject, I have the honor to state that out of S.No.12 dry measuring 3 acres 1 gunta of Tumkur Kasaba which is an inam endowed to the Sri Kikkeri Anjaneyaswami temple, Tumkur Town, a village Muzrai institution, an extent of 21 guntas is reported to have been acquired for the Barr Lines in Tumkur Town. The Municipal Council, Tumkur Town, intend acquiring a further extent of 11 guntas for opening a road and constructing a drain.

2. The Deputy Commissioner reports that the remaining extent of land, namely, 2 acres 9 guntas which is in the possession of the archak is not beneficial either to him or to the temple as it is unproductive and that as it is situated within the precincts of the Tumkur Town, there will be a good demand for the lands if sold in public auction. He, therefore, recommends the cancellation of the inam tenure of the land and the disposal of the remaining extent of land by public auction, the entire realizations being invested in Government securities.

3. I request that sanction of Government may kindly be conveyed to the proposal of the Deputy Commissioner.

1. The connected file of correspondence is enclosed.

I have the honor to be,

Sir,

No.M.42/36-37 dated 2-10-36 from the Deputy Commissioner, Tumku to the Muzrai Commissioner in Mysore.

Subject:- Disposal of the inam land of Sri Kikkeri Anjaneyaswami Temple, Tumkur Town.

I have the honor to state thatthe temple of Kikkeri Anjaneyaswami in T kur Town is a Village Muzrai institution endowed with the marginally noted inam land of Tumkur Kasaba for its maintenance.

	A.	G.	Asstt.	
S.No.12 dry	3-	1	R 6	)

extent of 21 guntas out of t e inam land was acqu ed for the Barr Lines in Tumkur Town and a sum of R 210 which was granted a compensation therefor is stated to have been deposited in S.B. in the name of the institution. The Municipal Council, Tumkur Town, intend acquiring a further portion of the land about 11 guntas in extent for the purpose of opening out a road and the construction of a drain. An extract of their resolution in this connection is enclosed in the records for kind perusal and they are agreeable to give compensation at R 300 per acre.

2. The remaining extent of the inam land will be about 2 acres 9 guntas which the archak of the temple states to be not at all beneficial either to himself or to the temple in any way. He, therefore, prays for the cancellation of the inam tenure of the lands and its disposal by sale, and for purchasing another piece of land elsewhere, which will be more useful in the interests of the temple. There are two offers for the remaining extent of land for a sum of about Rs 250 and it is likely that the land may fetch more, if sold in public auction.

3. The enclosed records go to show that the land is much run over by the waters of the Somekatte Tank and is lying fallow for some time. There is already a sum of Rs 210 available and a sum of about R. 80 is expected to be realised from the Municipal Council. As the archak says that the remaining extent of the inam land (dry) is not productive and that there is demand for it, the same may be ordered to be disposed of in public auction after cancelling its inam tenure. The land is within the precincts of the Tumkur Town and there will be a good demand for it. The entire realisations will be arranged to be invested in Government securities so as to make available its realisations to the temple for its maintenance.

4. The connected records are enclosed.
